A blank grid paper with a vertical axis on the right side. The axis is labeled with values 900, 1000, 1100, and 1200, with horizontal grid lines extending from each label. The grid itself is 20 units wide and 30 units high. The vertical axis is on the right, and the horizontal axis is at the bottom. The grid lines are thin and black. The background is white. The labels are in a black, sans-serif font. The grid is composed of small squares, each representing 100 units by 100 units. The vertical axis is labeled from 900 to 1200 in increments of 100. The horizontal axis is not labeled. The grid is empty, with no data points or lines plotted.
